PROJECT SUPERVISOR -VISAMO KIDS FOUNDATION

As we reflect on another year at Visamo Kids Foundation (VKF), I am filled with immense pride and gratitude for the strides we've made in empowering underprivileged children through education. Since our inception in 2002, VKF has been steadfast in its mission to provide quality education and a nurturing environment to children from economically disadvantaged backgrounds across Gujarat.

Our success is built upon the unwavering commitment of our staff, the generosity of our donors, and the collaborative partnerships with esteemed educational institutions. Together, we have created a holistic environment that fosters academic excellence, personal growth, and social responsibility among our students.

As we look ahead, we remain committed to our vision of transforming lives through education. We aim to expand our reach, enhance our programs, and continue to support our students in realizing their full potential.

Thank you for being an integral part of our journey. Your support fuels our mission and inspires us to strive for greater heights.

Introduction :

Visamo Kids Foundation (VKF) is a prominent non-governmental organization based in Ahmedabad, Gujarat. Established in 2002, VKF emerged in response to the devastating earthquake that struck Gujarat, leaving many families and communities in dire need of support. From its humble beginnings, VKF has grown into a dynamic and sustainable initiative dedicated to providing free education to children from underprivileged families across Gujarat.

VKF's mission is to empower children from impoverished backgrounds by offering them access to quality education and a secure learning environment. The foundation aims to break the cycle of poverty by equipping these children with the knowledge and skills necessary to build a better future for themselves and their communities. VKF envisions a Gujarat where every child, regardless of their socio-economic status, has the opportunity to achieve their full potential.

Comprehensive Overview of VKF's Screening, Admission, and Support Process

VKF and collaboration with grassroots NGOs, conducts a meticulous screening process each year, typically around Navratri, to identify children from economically and socially disadvantaged communities in Gujarat who show potential for academic excellence. Grassroots NGOs play a pivotal role in this process, acting as crucial intermediaries between VKF and the local communities. They facilitate outreach and help in identifying suitable candidates. The screening involves administering pictorial tests to assess the children's potential, which are then evaluated by qualified psychologists. Based on these assessments, children with exceptional academic potential are shortlisted for further consideration.

Shortlisted children are then invited to participate in a ten-day camp held at VKF's shelter in Bopal, Ahmedabad. This camp, which requires parental consent, is designed to provide a comprehensive evaluation through a series of mental and physical tests. During the camp, the residential staff, known as 'Gruhmatas' (house mothers), closely observe the children, assisting them in adjusting to the new environment. Simultaneously, home visits are conducted to verify the backgrounds of the shortlisted candidates. These visits are carried out by field teams from partnering institutions or NGOs, following a standardized format provided by Visamo to ensure unbiased third-party evaluation.

The camp culminates in a final interview process where parents meet with the managing trustee and a panel of selection board members. This interview is crucial in finalizing the selection and confirming admission to Visamo, which is conditional upon the children's acceptance into one of VKF's partner schools. VKF facilitates admissions into prominent schools such as DPS, Anand Niketan, Zydus, and St. Kabir, with the process typically concluding by December or early January. To ease the transition, VKF initiates a Bridge-in Program, preparing children for their time at Visamo and their integration into these schools.

Once admitted, children at Visamo receive additional academic support through supplementary teaching classes provided by part-time teachers. Each child's needs are addressed through Individual Educational Plans (IEPs), and specialized care is given to those with special learning needs. Volunteers contribute significantly by offering one-on-one attention to select children. Beyond academics, VKF organizes various activities aimed at holistic development, including life skills training, counseling, personality grooming, and career guidance. These activities, along with interactions with eminent professionals, help broaden the children's horizons and prepare them for future opportunities.

Throughout their educational journey at Visamo, which begins from Class I and spans twelve years across various educational boards (CBSE, ICSE, GSEB), children are supported by a structured Bridge-out Program designed to prepare them for life after Visamo. This program includes mentoring, aptitude testing, career guidance, and exposure to diverse fields of study and career-building opportunities. For senior students in Classes VIII to XII, VKF provides additional support through career fairs, interactions with field experts, and life skill coaching, ensuring they are well-prepared and confident as they transition out of Visamo and into their future endeavors.

ધોરણ ૧૧માં અભ્યાસ કરતી વિદ્યાર્થીની અને વિસામો કિડ્સ ફાઉન્ડેશન(VKF) ની વોલેન્ટિયર દ્વારા વંચિત છોકરીઓને સર્વાઈકલ કેન્સરની રસી અપાવવા માટે ભંડોળ એકત્ર કરવાની એક પ્રેરણાદાયી પહેલ શરૂ કરાઈ છે. શૈવીએ VKF ના બાળકો દ્વારા બનાવેલ ચિત્રો વેચીને રૂ. ૫૦,૦૦૦ એકત્ર કરીને તેના મિશનની શરૂઆત કરી હતી અને મિત્રો અને પરિવારના સભ્યોએ કરેલા દાન દ્વારા રૂ. ૧ લાખ એકત્ર કર્યા હતા. શૈવી ઈન્ટરગ્રામ દ્વારા સર્વાઈકલ કેન્સર અંગે જાગૃતિ ફેલાવવા સાથે અન્ય લોકોને પણ આ

મિશનમાં જોડાવા માટે પ્રોત્સાહિત કરી રહી છે. તેમના આ ઉમદા પ્રયત્નથી ૩૭ છોકરીઓને સર્વાઈકલ કેન્સરનો પ્રથમ ડોઝ પ્રાપ્ત થયો છે, જેમાં ૨૫થી વધુને આગામી મહિને બીજો ડોઝ પણ આપવામાં આવશે. આ દાન અભિયાનમ યોગદાન આપવા ઈચ્છતા તમામ લોકો માટે ખુલ્લું છે. છેલ્લાં પાંચ વર્ષથી VKF સાથે સંકળાયેલ શૈવીએ પોતાની પહેલ અંગે વાત કરતા જણાવ્યું હતું કે, “જ્યારે વર્ષ
