Values

THE BELIEF

This is based on a belief that through education we are making fundamental changes in the lives and thoughts of these children, with the anticipation that they will in turn upgrade their families and society.

OUR VISION

We want each child to be confident of herself/himself and to be able to stand as an equal in the society, with equal number of opportunities in life. We wish to see them as pilots, commandos, CEOs, singers, dancers and be happy with whatever conscious choices they make in life

OUR MISSION

Empowering lives through education that empowers them for a better future.

PROJECT SUPERVISOR -VISAMO KIDS FOUNDATION

As we look back on another meaningful year at Visamo Kids Foundation (VKF), I feel deep pride and gratitude for the progress we have made in uplifting underprivileged children through the power of education. Since our founding in 2002, VKF has remained dedicated to creating opportunities for children from economically disadvantaged families across Gujarat by providing access to quality education and a supportive learning environment.

Our achievements would not have been possible without the dedication of our team, the kindness of our donors, and the strong partnerships we share with respected educational institutions. Together, we have built a nurturing ecosystem that encourages academic success, personal development, and a strong sense of social responsibility among our students.

As we move forward, we remain devoted to our mission of changing lives through education. We plan to broaden our reach, strengthen our initiatives, and continue guiding our students toward achieving their dreams and full potential.

Thank you for being an essential part of our journey. Your continued support motivates us to keep growing and making a lasting impact.

Introduction :

Visamo Kids Foundation (VKF) is a prominent non-governmental organization based in Ahmedabad, Gujarat. Established in 2002, VKF emerged in response to the devastating earthquake that struck Gujarat, leaving many families and communities in dire need of support. From its humble beginnings, VKF has grown into a dynamic and sustainable initiative dedicated to providing free education to children from underprivileged families across Gujarat.

VKF's mission is to empower children from impoverished backgrounds by offering them access to quality education and a secure learning environment. The foundation aims to break the cycle of poverty by equipping these children with the knowledge and skills necessary to build a better future for themselves and their communities. VKF envisions a Gujarat where every child, regardless of their socio-economic status, has the opportunity to achieve their full potential.

Comprehensive Overview of VKF's Screening, Admission, and Support Process

VKF and collaboration with grassroots NGOs, conducts a meticulous screening process each year, typically around Navratri, to identify children from economically and socially disadvantaged communities in Gujarat who show potential for academic excellence. Grassroots NGOs play a pivotal role in this process, acting as crucial intermediaries between VKF and the local communities. They facilitate outreach and help in identifying suitable candidates. The screening involves administering pictorial tests to assess the children's potential, which are then evaluated by qualified psychologists. Based on these assessments, children with exceptional academic potential are shortlisted for further consideration.

Shortlisted children are then invited to participate in a ten-day camp held at VKF's shelter in Bopal, Ahmedabad. This camp, which requires parental consent, is designed to provide a comprehensive evaluation through a series of mental and physical tests. During the camp, the residential staff, known as 'Gruhmatas' (house mothers), closely observe the children, assisting them in adjusting to the new environment. Simultaneously, home visits are conducted to verify the backgrounds of the shortlisted candidates. These visits are carried out by field teams from partnering institutions or NGOs, following a standardized format provided by Visamo to ensure unbiased third-party evaluation.

The camp culminates in a final interview process where parents meet with the managing trustee and a panel of selection board members. This interview is crucial in finalizing the selection and confirming admission to Visamo, which is conditional upon the children's acceptance into one of VKF's partner schools. VKF facilitates admissions into prominent schools such as DPS, Anand Niketan, Zydus, and St. Kabir, with the process typically concluding by December or early January. To ease the transition, VKF initiates a Bridge-in Program, preparing children for their time at Visamo and their integration into these schools.

Once admitted, children at Visamo receive additional academic support through supplementary teaching classes provided by part-time teachers. Each child's needs are addressed through Individual Educational Plans (IEPs), and specialized care is given to those with special learning needs. Volunteers contribute significantly by offering one-on-one attention to select children. Beyond academics, VKF organizes various activities aimed at holistic development, including life skills training, counseling, personality grooming, and career guidance. These activities, along with interactions with eminent professionals, help broaden the children's horizons and prepare them for future opportunities.

Throughout their educational journey at Visamo, which begins from Class I and spans twelve years across various educational boards (CBSE, ICSE, GSEB), children are supported by a structured Bridge-out Program designed to prepare them for life after Visamo. This program includes mentoring, aptitude testing, career guidance, and exposure to diverse fields of study and career-building opportunities. For senior students in Classes VIII to XII, VKF provides additional support through career fairs, interactions with field experts, and life skill coaching, ensuring they are well-prepared and confident as they transition out of Visamo and into their future endeavors.

V to VIII

IX to XII

Highlights of 2025-2026

AI Classes :

At Visamo Kids Foundation, we have introduced AI classes for our older children this year, helping them stay aligned with the changing world and equipping them with skills for the future.

French Language Class

This year, Visamo Kids Foundation has also introduced French language classes for students from Std. 6 to 8 as an additional language program. Volunteers from La Forêt Organization are teaching the children French, providing them with an opportunity to learn a new language and broaden their global exposure.

KFTL Visit

As part of a monthly Saturday activity, children visit the Kalorex Future Tech Lab to explore the world of science and technology. These visits help spark their curiosity, develop scientific thinking, and encourage hands-on learning. The experience inspires children to take a greater interest in science, innovation, and future technologies.

Medical camps -2025 to 2026

An Eye Check-up Camp was organized by Visamo Kids Foundation to promote children's eye health and ensure early detection of vision-related issues. The camp provided free eye screening and awareness about the importance of regular eye care.

A Dental Check-up Camp was organized by Visamo Kids Foundation to promote oral hygiene and dental health among children. The camp included free dental check-ups, awareness sessions on proper oral care, and guidance on maintaining healthy dental habits.

A General Health Check-up Camp was organized by Visamo Kids Foundation to monitor and support the overall health and well-being of children. The camp included basic body health examinations, medical guidance, and awareness about maintaining a healthy lifestyle.

Activities of the Year

The Scholarship Day of Visamo Kids Foundation was celebrated in the first week of July. During the event, Visamo children were recognized and awarded for their overall yearly performance, behaviour, and achievements. All Class 12 pass-out students were honoured with medals and awards. The program also included performances by our children, making the celebration memorable and inspiring for everyone.

The Career Counseling session conducted by E Kal Academy was a significant milestone for students from Grades 9 to 12. The session guided children in understanding various career opportunities and helped them make informed decisions about their future.

Visamo Kids Foundation also supported and counseled the children throughout the process to help them choose the right career path.

On 30-09-2025, the children of Visamo Kids Foundation visited Balasinor dinosaur park for an educational and recreational trip. The visit provided children with a joyful learning experience, opportunities for exploration, and memorable moments together.

A On 02-11-2025, a CPR training session was conducted for the children and participants of Visamo Kids Foundation to teach essential lifesaving techniques. The hands-on training helped participants gain confidence and practical knowledge to respond effectively during emergency situations.

Board Game Sessions – An Initiative by Visamo Kids Foundation

This year, Visamo Kids Foundation has introduced Board Game Sessions for children as a unique learning and development initiative. Through games such as chess, carrom, puzzles, and other strategy-based board games, children get an opportunity to enhance their thinking abilities while having fun.

CSR

In the fiscal year 2025-2026, CSR emerged as a significant source of funding for Visamo Kids Foundation (VKF), enabling the organization to expand its outreach and enhance its programs. The impact of these CSR activities was profound, marked by numerous collaborative visits and engagements.

Activities corner

Activities

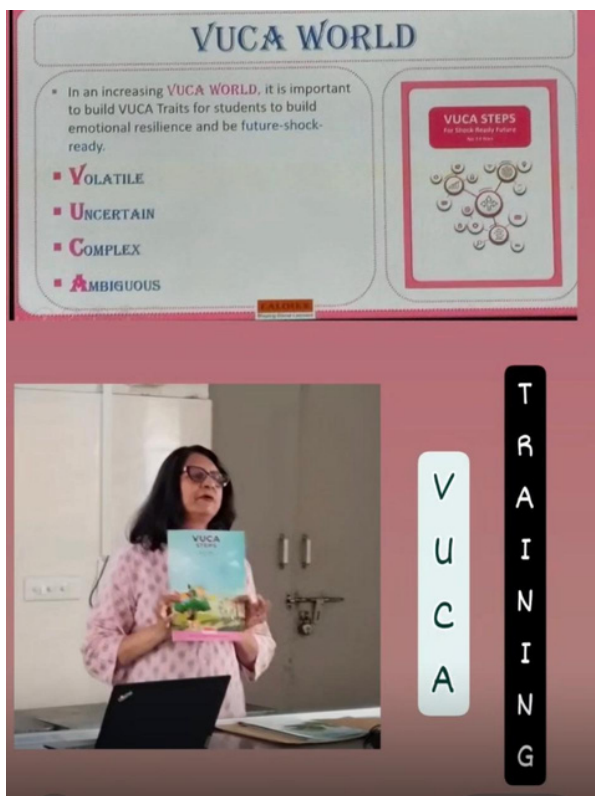

Staff training and Development

DHI Sessions:

DHI Sessions are organized for staff members to support their personal growth, professional development, and self-improvement. These sessions help staff enhance their skills, strengthen their understanding of child development, and improve their effectiveness in working with children. The initiative aims to build a more capable, confident, and child-focused team.

VUCA Sessions:

As part of the VUCA initiative, children participate in sessions based on the concepts of Volatility, Uncertainty, Complexity, and Ambiguity (VUCA). Using the VUCA workbook and interactive activities, these sessions help children develop critical thinking, adaptability, problem-solving abilities, decision-making skills, and resilience. The program prepares them to confidently face challenges and navigate an ever-changing world.

સુરતની નાનકડી શેરીથી સરકારી ડેન્ટલ કોલેજ સુધી "નીલમ શર્માની સફળ અને પ્રેરણાદાયી યાત્રા"

સુરત (નવનિર્માણ)
સુરતના સતત વ્યસ્ત અને ભરતક રસ્તાઓથી લઈને ગુજરાતની સૌથી પ્રતિષ્ઠિત ડેન્ટલ કોલેજમાંની એક સુધી, નીલમ શર્માની વાતોએ ખરેખર ઉત્સાહ, ખંત, સખત મહેનત અને ટક નિશ્ચયની વાતો છે. શહેરના એક કળ વેચનારના ઘરમાં જન્મેલી નીલમનું જીવન શરૂઆતથી જ આર્થિક સંઘર્ષથી ભરેલું રહ્યું હતું. જોકે, શિક્ષણ પ્રત્યેની તેમની પ્રતિબદ્ધતાએ તેમને એક અસાધારણ માર્ગ પર આગળ વધવા માટે પ્રેરણા આપી હતી, જે છેવટે તેમને સફળતા તરફ દોરી ગઈ હતી.

વર્ષ ૨૦૦૫માં નીલમ અમદાવાદમાં ગરીબ અને વંચિત બાળકો માટે રહેણાંકીય શૈક્ષણિક પહેલ, વિસામો કિડ્સ ફાઉન્ડેશનમાં ગઈ હતી. અહીં તેણીએ પોતાના શૈક્ષણિક સપનાઓને પોષિત કર્યા અને અચાજ મહેનત સાથે એવો પાયા તૈયાર કર્યો, જે ખરેખર તેની માટે જીવન બદલી દેનારો સાબિત થયો હતો.

મિત્રોએ પહેલાથી જ પ્રવેશ મેળવી લીધો હતો. હું સતત નાણાકીય દબાણ અને આત્મ-શોક સામે ઝગમગી રહી હતી. પરંતુ આજે, મને લાગે છે કે મારી મહેનત ખરેખર રંગ લાવી છે." તેણીએ વધુમાં ઉમેર્યું હતું કે, "આ સિદ્ધિ મારી એકલીની નથી, પરંતુ એ તમામ વ્યક્તિની છે, જેમણે મારામાં વિશ્વાસ વ્યક્ત કર્યો છે. ખાસ કરીને, મારા માર્ગદર્શકો અને વિસામો કિડ્સ ફાઉન્ડેશન, જે ખરેખર એક પરિવારની જેમ મારી સાથે સતત ઉભા રહ્યા અને મને સતત મહેનત સાથે આગળ વધવાની પ્રેરણા આપી હતી." વિસામો કિડ્સ ફાઉન્ડેશન નીલમની શૈક્ષણિક યાત્રા અને તેના વ્યક્તિગત વિકાસને આકાર આપવામાં મુખ્ય ભૂમિકા ભજવી છે. સંસ્થાના માર્ગદર્શન, દેખભાળ અને સતત સમર્થન દ્વારા, નીલમે અવરોધોને સફળતા તરફ દોરી જનારા પગથિયાંમાં પરિવર્તિત કર્યા છે. હવે તે એવા ભવિષ્યની આશા કરે છે, જ્યાં તે બીજાઓની સેવા કરી શકે, તેના પિતાને ટેકો આપી શકે અને તેના જેવા અન્ય બાળકો માટે પ્રેરણા બની શકે.
